# How to Apply for Scholarships

The Greater Houston Community Foundation (GHCF) administers dozens of unique scholarship funds that grant over a million dollars annually to high school, community college and university students. Each scholarship fund was established by thoughtful and generous donors including individuals, corporations and organizations. As such, each scholarship fund has a unique eligibility criteria and award structure.

Currently, 24 scholarship funds accept applications online. These scholarships are advised by donors and GHCF handles the application, scoring and award process. Scholarship applications are accepted online.
