GHCF plays an active role in managing scholarship programs, in order to help donors achieve their philanthropic goals. We utilize industry best practices and offer expert advice in the design and management of successful scholarship programs that meet IRS rules and regulations. We manage the entire process from start to finish: application development and review, scoring and selection recommendations, check issuance and all data/document collection and tracking. GHCF administers an online scholarship applications and awards process. Donors can play an active or passive role in the scholarship process. Opportunities for active involvement include publicity, applicant essay review and selection committee.

Support the Next Generation of Leaders
When you open a scholarship fund with GHCF, you open doors to academic success. Your scholarship program can pave the way for today’s young minds. GHCF scholarship staff are also available for one-on-one assistance to students and parents with questions or concerns.

Leave a Legacy
A scholarship fund can be a integrated part of your philanthropy plan! Whether you are opening a scholarship to honor a loved one, support a particular school, encourage studies in certain fields, or assist your employees and their children, GHCF can help customize a scholarship program that achieves your charitable goals. Scholarship funds may be established as endowments, ensuring an indefinite period of support.

Let GHCF do the Work
GHCF makes establishing your scholarship fund easy. We will ensure that your scholarship is awarded to the type of student who aligns with your values while staying compliant with the numerous regulations that govern scholarship funds. Gifts to scholarship funds at GHCF are tax-deductible and accepted from multiple parties. GHCF also handles charitable donation receipts for gifts. The minimum initial contribution for a new scholarship fund is $100,000. We charge a one-time set-up fee and an annual administrative fee, based on the activity, for most scholarships.

GHCF is a member of the National Scholarship Providers Association
