Lead When it Matters Most

Provide trusted support with confidence and care when employees and communities need it most.

CORPORATE SCHOLARSHIP FUNDS

Invest in education and build a stronger future workforce.

DISASTER RELIEF

Quickly support employees and communities impacted by natural disasters without the administrative burden.

"By partnering with the Community Foundation to administer our donor advised fund, scholarship program, and employee disaster relief fund, we've been able to shift the administrative burden off our team. The Community Foundation's support ensures our programs are still run accurately, ethically, and in alignment with our caring culture."

Why Companies Choose the Community Foundation

Today's most successful companies don't just give; they invest strategically in their communities and people.

- ✓ Align giving with business goals and values
- ✓ Maximize impact with trusted local expertise
- ✓ Simplify administration so you can focus on what matters
- ✓ Respond quickly when employees and community need it most

We handle the complexity, so you don't have to.

Give Strategically

Build a corporate giving strategy that advances business goals and company values.

CORPORATE DONOR ADVISED FUNDS

A flexible, tax-efficient giving solution that integrates seamlessly with your financial and philanthropic strategy so you can manage giving with further clarity and control.

STRATEGIC ADVISING & CONSULTING

Our philanthropic advisors help your team identify high-impact opportunities and ensure your corporate giving reflects your company's values and priorities.

"It's important to have a [philanthropic] partner who serves as an extension of our team and whose values align so well with Southwest's culture and guiding principles. We lean on the Community Foundation to guide and consult on our giving strategy that stays true to our corporate responsibility approach."
